Prevent, Protect, Respond.

- Plan your escape routes and keep exits clear
- The best route is the usual way in and out of your home
- Get everyone to practice your escape plan
- Keep door and window keys handy - tell members of your household where they are

Make sure candles are secured in a proper holder and away from materials that may catch fire - like curtains.

- Put candles out when you leave the room, and make sure they're put out completely at night
- Use a snuffer or a spoon to put out candles. It's safer than blowing them out when sparks can fly
- Children and pets shouldn't be left alone with lit candles
